

Seventh Tradition Contributions

To support AA's essential services, your group should decide what percentage goes to each service entity. First take care of basic group expenses such as rent, literature and coffee; then divide the remaining funds per group conscience. To find out if your group is registered with New York General Service Office and/or your group number, contact Area 93 Registrar @<http://www.aaarea93.org> or New York at: <http://www.aa.org> (Contribution Suggestions from "Self Support: Where Money and Spirituality Mix" p.12/F-3)
